CHÂTEAU LES BARRAILLOTS
MARGAUX

M. Michel Brunet
Margaux 4.8 hectares

In Medoc dialect “barrail” or “barralhe” refers to a bank of land marking the boundary of personal property. The small hillocks of Chateau Les Barrailots divide the property from the surrounding plots of cru classes. Les Barrailots is a rare “Cru Artisan” to have its vineyard in the village of Margaux itself. The vineyard was obtained from Palmer and Durfort in 1928 and 1933. It is made up of permeable gravel and is situated among the highest elevations in the commune. The varietal mix is 55% Cabernet Sauvignon, 30% Merlot and 15% Cabernet Franc/Petit Verdot and the planting is very dense. The average vine age is 40 years with a few rows of 90 year old Petit Verdot. Harvesting is done manually and the wine is aged in barrels (a third new) for eighteen months.
