**DOMAINE DE BLANES**  
**PÉZILLA DE LA RIVIÈRE**

**OVERVIEW** | Domaine de Blanes was created in 1958 by Jean-Pierre and Rose-Marie Bories. In 2000, after training in Argentina, Chile, and Australia, their daughter, Marie-Pierre took over the family's fifteen hectare vineyard, and has been producing the wines of the estate ever since. She has successfully developed relationships in some of France's great culinary circles and has become highly regarded as a producer of distinctive wines of character.

**VINEYARD AREA:** 15 hectares

**SOIL TYPES:** schist and garrigue

**GRAPE VARIETIES:** muscat à petits grains, muscat d'Alexandrie, grenache, syrah, merlot, carignan

**VINEYARD/CELLAR PRACTICES** | The domaine is located in Pézilla de la Rivière, 15km from the Mediterranean and 20km from the Spanish border. Marie Pierre has gone to great lengths to organically farm the estate, which is split between schist hillsides and "garrigue" plateaus. In addition, she follows biodynamic principals in both the vineyard and cellar.
