**CHÂTEAU GUEYROSSE**  
**LIBOURNE**

Yves Delol  
Saint Emilion Grand Cru  
12 acres

Chateau Gueyrosse dates from around 1750 and the Delol family obtained the property in 1850. The vineyard is in the southwestern corner of Saint Emilion, on the outskirts of Libourne and has a soil of "graves rouge". It is cultivated without any herbicides or chemicals. Yields are kept exceptionally low through severe pruning and harvesting is done manually by parcel to allow for full maturation. After vinification the wine is aged in tank for 1 to 3 months for clarification and then in barrel (2 and 3 year old barrels) for up to 18 months. The wine is raked every 2 or 3 weeks, fined with egg whites but not filtered.
