**OVERVIEW** | Urki is a family-owned project surrounded by 7 hectares of vineyards (100% Hondarribi Zuri) overlooking the Atlantic Ocean. Their recently built winery uses all the latest technology to help ensure the fresh and lively flavor of their Txakoli. Urki is located in Getaria, one of the towns in the DO Getariako Txakolina. The wine is produced entirely from estate fruit. Each fall nearly forty people work the harvest at Urki for ten days to hand-harvest all of their grapes for that year's vintage.

**VINEYARD/CELLAR PRACTICES** | There is extensive care in the vineyard to maintain the highest quality of fruit. All the vines are tended and harvested by hand and carried to the cellar in small boxes to keep each cluster intact. All wines are fermented in stainless steel at low temperatures to properly extract the mature phenols. There is a short lees contact of a few months after fermentation for the whites only. The result is aromatically vibrant Txakoli of great elegance that reflects the nobleness the Hondarribi Zuri grape.

**WINES** | **Urki Txakoli** - 100% Hondarribi-Zuri. Brilliant yellow straw-colored with light, crisp effervescence. Primary flower aromas of apple and pineapple, with citric background touches. Intense attack in the mouth, balanced forward and persistent end.
